nobody wanted to go at first california was practically uninhabited except for the indians those first residents had to be paid to go and there were few takers the first years were hard and supplies scarce still those early families managed to grow enough foodstuffs to plant a firm hold in the land it was truly a cultural melding from the first of indian spanish and mexican people and a few others then in 1848 california joined the united states that move and the lure of gold nearby gave the

city the boost it needed newcomers soon realized the land was good fruits and flowers were abundant and the climate mild it was the kind of place men dreamed of and many followed their dreams they called it the garden city like all cities it had its problems but its leaders were both dreamers and doers they anticipated prepared and planned the growth from a struggling outpost to a complex cultural and economic society has been a major evolution and a tribute to those who made their dreams and the city of san jose come true san jose california s first city california s first city san jose represents a microcosm of the development of the golden state s urban centers over the last two centuries the garden city has occupied an important position as california s first civilian settlement first state capital leading agricultural center and nucleus of the space age electronics industry as narrated by the distinguished historian edwin a beilharz san jose was founded as a planned civil settlement in 1777 governor felipe de neve established the pueblo in the lush santa clara valley to provide a reliable food source for the growing yet isolated colony of alta california it soon emerged as a major producer of cereal grains orchard fruit and cattle during the spanish and mexican era san jose also served as a social center for the nearby ranchos and attracted such influential families as peralta suriol castro and vasquez by the late 1830s and 1840s foreign visitors eyed california with envy several saw the promise of the verdant valley political upheavals in mexico made possible the easy assimilation of non mexican residents with the conclusion of the mexican war and the treaty of guadalupe hidalgo in 1848 san lose and california became a formal possession of the united states donald o demers takes up the story with the establishment of american rule in california the discovery of gold on the american river changed the entire complexion of california and quickly led to admission as a state in 1850 as the result of a strong lobbying effort the newly formed state government selected san jose as its first capital political infighting ensued and the state legislature moved the capital to benecia after only one year despite this blow the city on the guadalupe river continued to expand capitalizing on its mild climate abundant water supply proximity to san francisco bay and fertility of the santa clara valley confusion over mexican land grants also opened vast tracts of land for development san jose took prominence in wine production fruit raising silk culture nurseries and agricultural experimentation the advent of the railroad made possible the establishment of a packing and shipping economy the pueblo was soon transformed from a collection of crude adobes to one of frame houses brick business blocks schools churches theaters and parks replete with horsecars traveling along tree lined streets after the 1906 earthquake san jose entered the twentieth century as a typical american city it experienced the anxiety of world war 1 jubilation of the 1920s subterfuge of prohibition and the great depression during this time too sensational events rocked the city the tragic hart kidnapping and the lynchings at st lames park world war II shifted the socio economic base from a land of gardens and orchards to that of a defense production center the burgeoning population of defense workers engineers and scientists created a new force for continued development excerpt from edwin a beilharz and donald o demers jr san jose california s first city ebooks

san jose is the capital of the silicon valley the high rise economic engine of advanced technology yet it was once a verdant valley inhabited by wildlife waterfowl and the native ohlone people the spanish who founded california s first civilian settlement here in 1777 named it for saint joseph the patron saint of the spanish expedition their farms fed the soldiers at the monterey and san francisco presidios beginning an agricultural industry that thrived for nearly 200 years although serving briefly as california s first state capital for many decades downtown was the somewhat sleepy commercial center of the santa clara valley a housing and

population expansion that began in the 1950s exploded with san jose s rebirth as a technological mecca
