from ancient greece through the present day women writers have confronted the male urge to make war by imagining communities in which intuitive bonding among individuals questions and replaces masculinist values of aggression and competition women s vision in western literature traces the gender gap in literature from 600 b c to the present day through an examination of seven extraordinary women writers from sappho to christa wolf combining close readings with a comprehensive overview of the careers of these women porter shows how the threat the experience and the aftermath of war incites them to imagine tolerant empathic communities this careful consideration of these seven great writers brings to light an underappreciated aspect of western women s writing starting with sappho porter illustrates this ancient poet s ability to rewrite

the homeric war rhetoric to reflect a non possessive love experience marie de france arranges traditional animal fables to imply an open ended situation ethics according to the author and madame de stael in a europe torn by napoleonic conquests advocates cross cultural unions among countries in the works of mary shelley we see the warnings of the dangers of vainglorious soulless technology and virginia woolf depicts intuitive bonding beyond gender stereotypes amid the ruins of war and crumbling empire he shows how marguerite yourcenar dreams of a new era of world peace after hitler s defeat and how christa wolf tries to cope with her country s nazi past even as she reaffirms european identity threatened by annihilations in nuclear conflict

everyone knows about noah moes and paul but what about hagar michal and priscilla all women who had a direct influence in the story of god s people the bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today in the women s study bible respected bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today separate sidebars cover topics such as midwifery women disciples and female images of god the women s study bible doesn t shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world the new living translation of the bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included book jacket

written in an engaging narrative style these philosophical investigations undermine racist hierarchies along with false natualistic conceptions of the meanings of race and universalistic understandings of gender by considering whiteness as it shapes and is infused by gender class sexuality and culture central to this project are questions about how it is that culture and the state create such a wide range of different people who understand themselves as white the essays collected here discuss how one learns to be a good white southern woman what it means to pass as white and whether there really is a dilemma that accompanies white privilege
